AIRMAX SUPPORT DETAILS

Signature: _____

Should you have any queries regarding the installation and commissioning of the device please call: 0333 358 3489 or email support@airmaxgroup.com.

Please contact Airmax Support to confirm the unit is operational and to receive a commissioning number for authorisation to release the vehicle.

Please send this completed form to; FAX 01932 504399 or Commission@airmaxgroup.com

If Unit fails test then refer to the Installation Instructions and troubleshooting Guidelines to identify possible faults.

With the ignition on, after successful installation, the unit will send a data message containing its serial number to the Airmax Remote Support Team.

When the Airmax Support Team receives the submitted installation details, the serial number is checked against messages received from the in vehicle unit.

If successful, the vehicle is made 'Live' on the system and a Commissioning Number will be provided to the Technician for invoicing purposes.
